RUSTIC

Rustic style honors the look, materials and techniques of craftsmanship from bygone eras and applies them to a range of design aesthetics. The use of authentic Bronze and Britannium provides each piece with organic surface qualities, imprinted from the ancient art of sand casting. Weathered silhouettes, combined with living finishes, gives Rustic designs a character all their own.

TRADITIONAL

Traditional designs include elegant accents and familiar, timeless shapes. Elements of classic European architecture and style shine through in measured details, from antique-inspired engravings and rich metallic hues, to intricately adorned silhouettes and baroque textures. These venerable designs stand the test of time.
